

# The Great Big Holiday Bake Off Song Lyrics

## I. The Great Big Holiday Bake Off

Isn't it grand, isn't it great, something  
delicious on every plate.  
Sugar and spice, everything nice; The  
Great Big Holiday Bake Off.

Isn't it great, isn't it grand, all the  
ingredients we have planned?  
Watch us prepare something to share;  
The Great Big Holiday Bake Off.

All the cookies and cupcakes, all the  
pastries and pies, all the candy  
confections made right before your  
eyes, before your eyes.

Isn't it swell, isn't it sweet, making a  
holiday treat to eat?  
Having some fun, getting it done;  
The Great Big Holiday Bake Off, The  
Great Big Holiday Bake Off, The Great Big  
Holiday, The Great Big Holiday Bake Off.

## 2. Sugar Cookie!

Sugar Cookie, sh-sugar cookie.  
Sugar Cookie, sh-sugar cookie.  
Sugar Cookie, sh-sugar cookie.

Sugar Cookie, sh-sugar cookie,  
what a tasty treat.  
Sugar Cookie, sh-sugar cookie,  
soft and warm and sweet.

Roll 'em with a rolling pin,  
shape and cut the dough, oh,  
Sugar Cookie, sh-sugar cookie,  
how I love you so!

Look, I made a reindeer.  
Look I made a star.  
A Christmas tree and a candy cane.  
Put 'em in the cookie, put 'em in the  
cookie, put 'em in the cookie jar!

Sugar Cookie, sh-sugar cookie,  
nothing's as it was.  
Sugar Cookie, sh-sugar cookie,  
with a sugar buzz.

I think I should have one now, two, or  
three, or four, or  
Sugar Cookie, sh-sugar cookie,  
maybe even more!

*[Spoken]*

*Sugar, Sugar Cookie, sugar, so soft and  
sweet. Sugar, sugar cookie, sugar, what  
a wonderful treat.*

*Sugar, yum, yum, yummy. Sugar Cookie,  
sugar in my tummy, so soft and sweet.  
Sugar, yum, yum, yummy, sugar cookie,  
sugar, in my tummy, what a wonderful  
treat.*

Look, I made a reindeer.  
Look I made a star.  
A Christmas tree and a candy cane.  
Put 'em in the cookie, put 'em in the cookie,  
put 'em in the cookie jar!

Sugar Cookie, sh-sugar cookie,  
Sprinkles on the top.  
Sugar Cookie, sh-sugar cookie,  
I can hardly stop!

I just want to eat them all, but I won't  
because this Sugar Cookie, sh-sugar  
cookie, is for Santa Clause.

Sugar Cookie, sh-sugar cookie.  
Sugar Cookie, sh-sugar cookie.  
Save a sugar cookie just for Santa  
Clause!

## 3. My Ooey-Gooey Cinnamon Bun

Roll, roll, roll cinnamon sugar inside.  
Roll, roll, roll. Put 'em in the oven side by  
side.  
Roll, roll, roll. Bake 'em until they're done.  
Roll, roll, roll. How I love ya, my ooey  
gooey cinnamon bun! Yeah, yeah, yeah!

Where ooey meets gooey,  
Where sticky meets sweet,  
Where fluffy meets chewy,  
There's a wonderful treat.  
All covered with icing,  
So melty and warm.

ev'ry buttery crumb.  
All covered with icing,

### 4. Hot Chocolate!

*(Whispered)*  
Sss. Hot!

*(sing)*  
Hot, hot, hot, hot chocolate,  
I can't get enough.  
Hot, hot, hot, hot chocolate,  
It's my favorite stuff!

When the weather is freezing and you think you'll turn to ice, there is nothing more pleasing than a mug of paradise.

Turn up the heat, make it steamy and sweet, with marshmallows on the top.  
Come fill me up to the top of my cup, I'm gonna drink every drop!

Hot, hot, hot, hot chocolate,  
I can't get enough.  
Hot, hot, hot, hot chocolate,  
It's my favorite stuff!

*(Whispered)*  
Hot, hot chocolate!  
Hot, hot chocolate!  
Hot [Sss] hot chocolate [make it steamy]  
Hot [Sss] hot chocolate [rich and creamy]  
Hot [Sss] hot chocolate [make it steamy]  
Hot [Sss] hot chocolate [rich and creamy]

Turn up the heat, make it steamy and sweet, with marshmallows on the top.  
Come fill me up to the top of my cup, I'm gonna drink every drop!

Hot, hot, hot, hot chocolate, [hot chocolate]  
I can't get enough.  
Hot, hot, hot, hot chocolate, [hot chocolate]  
It's my favorite stuff!  
I can't get enough!

I need a fix made from scratch or a mix.  
Hot chocolate!

HOT!

### 5. The Candy Cane Twist

*(Spoken)*  
*There is a piece of candy, a special kind of treat, and when I think about it, I just 'hafta' move my feet.  
The swirl of of the colors, the curve of the hook, they make me wanna dance ev'ry time I take a look.  
I shimmy in my shoulders and I wiggle in my hips, I wanna have a party...*

*(sing)*  
When i taste it on my lips!  
Let's twist like a candy cane!  
Come on, let's twist like we can't refrain.  
'Cuz who can resist doin' the candy cane twist?

# The Great Big Holiday Bake Off

## Song Lyrics

Let's twist, let's twist to the left and right,  
to the left and right.

Come on let's twist, come on let's twist  
like the red and white, like the red and  
white.

'Cuz who can resist doin' the candy cane  
twist?

Pepper mint, spear-mint, winter green?  
You can really have your pick.  
Cinnamon, striped in red or green?  
Choose your favorite kind and lick!

Ah, ah, ah, ah!

Let's twist, let's twist, twist it up and  
down, twist it up and down.

Come on let's twist, come on and twist,  
Twist it to the ground, twist it to the  
ground.

'Cuz who can resist doin' the candy cane  
twist?

Candy canes come just once a year,  
So I buy 'em by the case.  
Even though soon they disappear,  
I'll still have a sticky face!

Ah, ah, ah, ah!

Ah, ah, ah, ah!

Let's twist, let's twist like a candy cane!  
Like a candy cane!

Come on, let's twist, come on let's twist  
like we can't refrain, like we can't  
refrain.

'Cuz who can resist  
doin' the candy cane twist?  
'Cuz who can resist  
doin' the candy cane twist?  
'Cuz who can resist  
doin' the candy cane twist?

Yeah!

### 6. Candy Covered Gingerbread House!

I built a house at Christmas,  
A house that takes the prize.  
The house is so incredible  
That you won't believe your eyes.  
It has four walls and windows,  
A ceiling and a floor,  
There's lots of snow up on the roof and  
wreath hung on the door.

Is it a dog house? [No, no!]  
Is it a jail house? [No, no!]  
Is it a school house? [No, no!]  
It's a candy covered gingerbread house!

Is it a light house? [No, no!]  
Is it a warehouse? [No, no!]  
Is it a doll house? [No, no!]  
It's a candy covered gingerbread house!

I built a house at Christmas,  
With frosting for the glue.  
With wafers for the shingles  
And a cookie chimney too.  
There's licorice and gumdrops  
And jelly beans galore.  
So many minty candy canes  
That it's like a candy store!

Is it a dog house? [No, no!]  
Is it a jail house? [No, no!]  
Is it a school house? [No, no!]  
It's a candy covered gingerbread house!

Is it a light house? [No, no!]  
Is it a warehouse? [No, no!]  
Is it a doll house? [No, no!]  
It's a candy covered gingerbread house!

*(spoken)*

*Licorice, gumdrops, jelly beans.  
Licorice, gumdrops, what a scene!  
So many minty candy canes, mm-mmm!  
So many minty candy canes, yum!*

Is it a dog house? [No, no!]  
Is it a jail house? [No, no!]  
Is it a school house? [No, no!]  
It's a candy covered gingerbread house!

Is it a light house? [No, no!]  
Is it a warehouse? [No, no!]  
Is it a doll house? [No, no!]  
It's a candy covered gingerbread house!

Chocolate cakes, and butter cakes,  
and cakes with lots of spice.  
Layer cakes and angel cakes,  
I think are very nice.

But when it comes to Christmas time,  
can anyone dispute  
that when you bake a Christmas cake  
it really should be, surely could be, yes, it  
would be, positively, absolutely, must be  
make with fruit!

(Spoken) FRUITCAKE!

(Sing)

**Group 1 - Team Debbie**

Sift the flour and fold in eggs.

Just how much is up to you.

Cloves and spice will make it nice,

Cloves and spice will make it nice,  
but don't forget the cinnamon

**Groups 1, 2, 3 & 4 sing together!**
