

Hello Parents & Guardians!

Your home is about to get very musical! Our 4<sup>th</sup> Grade students have a *really* exciting Winter Program coming up very soon. "But it's *ONLY* October", you say? December is going to sneak up on all of us very quickly, so we're getting started now to put on an awesome show in a few short weeks!

Here are a few things to mark on your calendar.

**Who:** 4<sup>th</sup> Grade Students & Families

**What:** 4<sup>th</sup> Grade Program - "The Great Big Holiday Bake Off"

**When:** Thursday, December 13, 2018 at 6:30pm

**Where:** WES Gym

**Wear:** see other side of handout for specific details.

Students can get a head start on practicing at home by going to the music website at [www.weswarrionmusic.com/programs](http://www.weswarrionmusic.com/programs)

Here they can find lots of helpful program resources such as: song lyrics, sheet music, song recordings with lyrics, song recordings without lyrics, AND links to choreography videos for a few songs.

### **Fall Break Practice Challenge**

I challenge every student to listen to every song at least 3 times over the break. There may be prizes involved if students have a song or two memorized! 😊

Please feel free to contact me with any questions regarding the program. I am so excited to get started! Happy practicing!

Sincerely,

Mrs. Eason

The premise of our program is a baking contest. We have host, judges, and contestants! Each student has been put into a specific group, and each group has a different suggested costume that matches their contestant. Please find your student's name and look for their suggested costume. ***Costumes are NOT required***, but they definitely add to the production. If your child has a speaking part, they have already been given their suggested costume. Their name may not be on this list. Winter/Holiday colors (red, green, or white) are acceptable if your child does not have the items listed for their group. Sweaters are not suggested, as it gets hot during performances.

Groups are for costumes AND singing parts.  
(see/listen to song: "Fruitcake")
